

## Course Syllabus ETH 201 – The Courageous Leader

**Instructor:** Frank Bucaro, CSP, CPAE

**Time:** 2 hours

**Prerequisites:** ETH 101 (optional/recommended)

**Passing:** 75% case studies/comprehension questions

**Short Description:** The Courageous Leader is a powerful, fundamental ethics course geared specifically for business leaders who want to build solid organizations that uphold strong ethical and moral values. This course is provides quality instruction from business ethics leader Frank Bucaro and includes case studies, quizzes, leadership development activities, and compelling reading.

**Long Description:** Most people agree that good ethics is good for business yet we still have ethical violations showcased in daily headlines. The problem is moral leadership. The courageous leader needs to have the ability to face difficulty, uncertainty, or pain without being overcome by fear or intimidated by consequences. Being courageous requires that you discern and assess what needs to be done and have the fortitude to be able to deal with the consequences based on the foundation of those values. The Courageous Leader is a powerful, fundamental ethics course geared specifically for business leaders who want to build solid organizations that uphold strong ethical and moral values. This course is provides quality instruction from business ethics leader Frank Bucaro and includes case studies, quizzes, leadership development activities, and compelling reading.
